

Policies regarding unscheduled closing of aquatic facilities

The pool manager shall, under the following conditions, be authorized to close the pool:

1. The pools will be cleared for a period of 30 minutes anytime lightning is spotted or thunder is heard. Patrons will be allowed to re-enter the pools once the time has elapsed without reoccurrence of thunder and lightning.
2. When a situation arises that would jeopardize public health or safety of the people in attendance. According to Illinois Health code, guest must be asked to clear the pool any time there is vomiting or fecal accident in the water. The pool will be cleared for a period of 30 minutes while chemical adjustments are made.
3. When the air temperature falls below 69 degrees Fahrenheit for a continuous one-hour period, the pools will close for the day.
4. If storm conditions create a clearing of the pool and there is no sign of weather clearing, the pools will close for the day.
5. If there are 10 or less swimmers for a one-hour period and poor weather conditions exist, the pools will close for the day.
6. If there are less than 10 patrons present after 3:00 p.m. the pools will close for the day.

* Refunds will not be given if the pools close due to inclement weather for any period of time.
